

Congratulations Eastminster Presbytery

Recognition of the “Top 10 Presbyteries in Giving” is a time-honored highlight of the meeting of the General Assembly of the Presbyterian Church (U.S.A.). Recognition is given to presbyteries who have given the most in dollars, or in dollars per member, in several categories of giving. This year’s awards represented giving to Shared Mission Support, Special Offerings, Other Specific appeals, and Total Giving for the 2007 calendar year. This year 37 presbyteries made the top ten in one or more categories. **This year Eastminster Presbytery was recognized by the 218th General Assembly for being among the Top Ten Presbyteries by member giving to Special Offerings.** Eastminster came in 10th in this category out of 173 presbyteries with total special offering of \$134,479.98 and a per member contribution of \$11.62. Congratulations to our 54 congregations for making the Top Ten!
